EL CHAPITEL

FOREWORD . . .

It is hoped that this book will enable departing students to look back happily on the years they spent in school.

El Chapitel is also expected to be an asset to parents, teachers, friends, and prospective students who will be given some idea of the numerous school activities sponsored in the past year.

The staff hopes that this book will offer inspiration to other students to make the most of their school life, and to encourage them to go on and do better and greater things in the business, professional, and vocational world in which many industrious and clear-thinking individuals are needed.

Our Principal . . .

MR. A. S. CAKEBREAD

Mr. Cakebread is a senior along with the graduating class, having been superintendent of San Benito County High School for four years. This year he has helped to sponsor a high school unit of the Parent-Teachers Association, an organization which has been needed for several years. He has worked untiringly with the small, as well as the large, student committees. He is to be commended for the work he has done for the community as well as for the high school and junior college.

CLASS OF '48

The seniors began a very active year with a barbecue at Bolado Park early in the fall.

In the middle of November they thrilled a full house with the presentation of "The 13th Chair," a three-act murder-mystery.

The always popular Valentine Dance was given in the spring followed by Senior Day (when the seniors took over the classes), Senior Sneak Day, and the Senior Banquet.

Climaxing four years of hard work and lots of fun, the seniors were graduated on June 11 with very impressive exercises.

CLASS OF '49

As usual the Junior Class has been active this past school year. Near the beginning of the term a dance and a food basket raffle were held in order to raise money for the annual prom. The "49er" combined their talents to put on a splendid three-act comedy entitled **Fly Away Home,** under the direction of Mr. Morrissey. When basketball season rolled around, the juniors were again found to be "in there pitching" in charge of concessions for a home game.

Of course, the outstanding event of the year was the annual Junior-Senior Prom, held in the latter part of May. Because of the hard work on the part of the juniors, it was acclaimed one of the finest ever held.

CLASS OF '50

The sophomores started off their second year by welcoming the freshmen with a very successful balloon party.

Their second big event was the semi-formal Thanksgiving Dance for which they deserve praise. Very seldom do underclassmen undertake so much.

In January the sophomores ordered their class rings. They are eagerly awaiting the activities of their junior year.

CLASS OF '51

The freshmen, new as they are, have not had many activities on the agenda for their first year. School concessions were taken over for a week by our **new ones,** however, and they were given a royal welcoming by the sophomore class at a gay party and dance. Next year they will have more opportunity for activities.

MUSIC CLUB

The Music Club enjoyed a very successful and busy year with Mr. Dahneke as advisor and the people listed below as officers. This year the club had two evening meetings monthly instead of four noon meetings a month. This allowed more time for a program which was always open to the public and at which guest artists performed.

It was through the Music Club that the Community Concert was publicized at the local high school. The members gave their time to sell tickets and usher at these programs.

Other activities which the club participated in were: having a concession at a basketball game, sponsoring a group that came from San Jose State College, and having their annual picnic at the end of the school year.

PEP COMMITTEE

This organization, which is the reorganized Rally Committee, is composed of girls whose job it is to assist the yell leaders. They plan rallies and rally assemblies, help to decorate the football field and the gym for athletic contests, and help to organize the rooting section. During basketball season they executed clever drills and stunts at half time.

GIRLS' LEAGUE

The Girls' League started the year off with the presentation of the Girls' League pins to those eligible. The formal Christmas Dance depicting **The Bells** turned out well, while just before Christmas vacation all the girls enjoyed the annual G. L. Christmas party. At the beginning of 1948 the successful Leap Year Dance was held with the girls taking advantage of the occasion and dragging their men to the dance. In March the Vocational Conference met at Asilomar with Hollister as hostess. The annual Mother and Daughters' Tea added to the many activities of the Girls' League, while the annual G. L. Barbecue was the climax to an eventful year.

MR. MORRISSEY

DRAMATICS

The dramatic productions of this year, under the direction of Mr. Morrissey, have all been judged outstanding successes. The first play of the year, **The Thirteenth Chair,** was given by the seniors early in the first semester. During the winter quarter the Junior Class presented a three-act comedy, **Fly Away Home.** In the latter part of the last semester, the Junior College presented the final production of the year.

MUSIC DEPARTMENT

This year has been a most memorable time for the music department. Not only only have the band, orchestra, and choir had a successful year, but also their dream has come true — a new music building has been erected. As a housewarming for the new building the music department presented a program, the highlight of which was a two-act operetta.

The orchestra, conducted by Mr. Cheek, and band and choir, directed by Mr. Dahneke, in addition to their regular functions, entered the Coast Counties Music Festival. The band and choir then went on to enter the Northern California festival. The glee clubs, under the supervision of Miss Maselli, have been very active and have taken part in several programs.

C. S. F.

The C.S.F. began a very active year by inviting the Gilroy C.S.F.'ers to an informal party. Later in the fall they had a candy sale which was very successful. Shortly after that several members attended a very interesting district conference at Asilomar. The next event was a Sock Hop.

At the beginning of the second semester the new members were initiated at a formal program. In the spring another candy sale was held and a few days later most of the group went to the regional conference at Centerville. The year was climaxed by a sneak day.

FUTURE FARMERS OF AMERICA

The Future Farmers have been very active this year. The chapter won Master Chapter rating for the first time. They had a large exhibit in the Grand National Junior Livestock show, and won $800 in prize money at the county fair. Some outstanding sophomore boys attended Camp Lillard at the State Fair. The F.F.A. entertained the student body with the Barn Dance and their fathers with the annual Father and Son Banquet. Thirty members enjoyed a snow trip to Yosemite. These are just a few of the highlights of the Future Farmers' year.

FUTURE HOMEMAKERS OF AMERICA

One of the newest organizations at school, yet one of the most active, is the Future Homemakers of America. Shortly after school started representatives from this chapter were sent to Asilomar to attend a state meeting. The delegates presented their original skit, "Come to Order." The members of the F. H. A. provided entertainment for their mothers throughout the year through a fashion show, a Christmas tea, and a dinner. In January these girls added to the school activities by sponsoring a successful Sock Dance and by presenting the student body with an assembly. In the spring the F. H. A. members had a marvelous time at their Spring Barbecue.

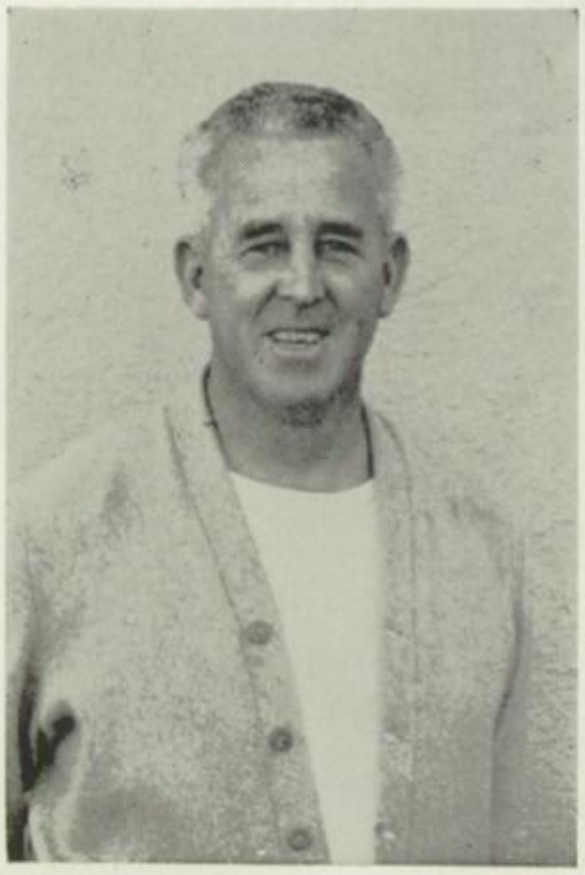
SPORTS

COACH HANNA

Although Coach John Hanna, varsity football coach, is comparatively new to our coaching staff, he has shown the community that he is not only a "good guy" but an excellent coach. We feel fortunate to have Coach Hanna among us.

COACH EDWARDS

Coach Don Edwards, our efficient basketball and baseball coach, has done an outstanding job. Not only has Coach Edwards developed skill in the players, but he has also made basketball and baseball more important and more interesting to the spectators.



COACH HARDIN

Coach Andy Hardin has proved himself a good and able coach again this year. Coach Hardin instructed the lightweight football and track teams and received very good results.

Cunningham, Coach John Hanna.

VARSITY FOOTBALL

The varsity football team, under the direction of Coach Hanna, showed their courage and their great fighting spirit on the gridiron. Although victory was rarely tasted, those gallant lads never lost their magnificent fighting spirit.

VARSITY BASKETBALL

The varsity basketball team, which was rated as one of the top C.C.A.L. teams at the beginning of the season, gave the spectators many exciting moments. Although complete victories were few, the team came very close to defeating their opponents several times. Their greatest display of skill was in the game against a strong Watsonville team when our players very nearly defeated the Wildcats.

MISS MESSING

MISS ELLIOTT

G. A. A.

This year the Girls' Athletic Asscciation under the fine supervision of Miss Gladys Elliott enjoyed a most prosperous year. To obtain funds the girls sponsored a food sale and a rummage sale. The G.A.A. sponsored playdays here and also attended them at various other schools. In the spring this organization sponsored the annual Easter Dance, which was a huge success. The year was made more interesting by participation in various trips. A very active year was climaxed by the girls receiving their hard-earned awards for athletic activities.

J. C. FACULTY

The Junior College's small but capable faculty played an important part in the life of the student. The faculty's primary duty was to instill in their students the ideals and principles so essential for good family life and responsible citizenship.

J. C. COUNCIL

The Council comprised the legislative body of the Junior College. It discussed school affairs, enforced rules and regulations, and promoted better school spirit throughout the year.

FOOTBALL

The Ramblers were not too successful during the football season, however, even though they suffered defeat at the hands of stronger teams, they fought back courageously each time. An example of their fighting spirit was displayed in the Salinas game where they stubbornly held their opponents to a zero to zero score throughout the first half.

BASKETBALL

COACH HANNA

The J. C. basketball team started the season by trouncing Hollister's old rival, Salinas. As the season progressed, the Ramblers suffered several defeats, but toward the end of January they won impressive victories over Vic's Club, the High School, the Cannery, and the Hotshots. More important than their victories, however, was the fact that the season was characterized by enthusiasm, good sportsmanship, and cooperation on the part of each member of the basketball team.

ARCHERY

Not to be outdone by the men of the student body, the Junior College girls were extremely interested in various forms of athletics.

Archery, badminton, tennis, golf and volleyball were the principal sports in which the girls participated.

Plans are being made to broaden the athletic activities for the Junior College girls. To all concerned this signifies a tremendous advancement in Junior College physical educational, for it insures better mental and physical health for the women of tomorrow.
